Dear Parents,

We have started our preparation for the 2018 Basket Raffle, which will be held during the German Supper on March 4th. This fundraiser has been successful in the past due to fantastic support from our parents, staff, and students, which we greatly appreciate! The money raised has allowed us to purchase a variety of school necessities, technology, athletic items, and funds for the students' field trips, etc.

We ask for contributions to be made to the classroom baskets. The committee has put together themes for each class's basket. You will find a list of the themes on the back of this paper with some ideas for items to donate. If your children are in classes where a single item is being purchased, please consider contributing a monetary donation so the committee can purchase that item. Otherwise, if the basket is composed of items, please prayerfully consider purchasing an item or sending in a monetary donation so items can be purchased. Donated items must be new. If you own a business, or know of any outside source that would like to contribute/donate to a basket, please let us know.

Please send your donation with your child to be given to your child's classroom teacher. Feel free to start sending items, or a monetary donation, if you choose, in at any time. We will have a list of items received on the school website under the PTO/Basket Raffle tab. As items are donated, we will update the list and the purchased items will have a mark through it. Please put any money you send, in an envelope with your child's grade on it so we don't have any donations lost or misplaced. Scrip cards may also be purchased from Betty Seiwert. These cards would make a great addition to the baskets and help the school at the same time. A list of participating businesses can be found on our website under the "Fundraisers" tab

If you have any questions, please let us know and thank you again for your past and future support!
