  - Wednesday, May 17: Last day of school. Dismissal 1:00.
  - Thursday, May 19: Summer vacation begins. Don't forget to read, pray, and practice math this summer!

## Animal Presentations

I have decided to give the students another week to practice on their presentation skills. Therefore our Animal Report Presentations will be next Wednesday, May 16 at 2:00. Hopefully that will give you enough warning if you would like to be able to attend. They should take about an hour ish to get all of the students through presenting. If you would like to come and join us, we would be happy to have you. If you'll just check in at the office and be in our room by 2:00, that would be terrific. Almost all of our habitats showed up this morning, so we'll be ready to go displaying them at that time. We look forward to seeing you.

Unit 29 Spelling Lists

	they're	

*Mission Statement of St. Joseph Catholic School:*

*Christ is the eternal prophet, priest, and king. As members of Christ's Mystical Body, we commit ourselves to carry on His mission of teaching, sanctifying, and governing the People of God.*

### Hail Holy Queen:

Hail, Holy Queen,  
Mother of Mercy,  
hail our life,  
our sweetness,  
and our hope.  
To thee do we cry,  
poor banished children of  
Eve.

To thee do we send up our sighs,  
mourning and weeping in this valley of tears.

Turn then, O most gracious advocate,  
thine eyes of mercy toward us;  
and after this our exile,  
show unto us the blessed fruit of thy womb, Jesus.  
O clement, O loving, O sweet virgin Mary.

### AR Reading Goals

This Thursday, all library books will need to be turned in. Any books needed for making an A.R. goal will be up to the students to find. I have several books in the classroom library that are A.R. Last day for taking A.R. tests is next Friday, May 11 at 3:30. However, we will be on a field trip that day, and I cannot promise the time needed, nor can I promise our computers to be working properly. Please do not let them wait until Friday to make goal. I have been very proud of how well the students have been reading and achieving the goals set for them. Keep it up this summer!

### Subject updates:

#### Math:

Math is a fact of life (whether we want to believe it or not). The faster we realize that math is all around us, the easier it will be to accept that we are constantly doing it. My goal for you (YES, the Parents!) is to notice all the ways that you use math throughout the day and then share those "little" skills with your child. You will be surprised how little effort it takes to have a math review at home.

#### Religion:

We will have a test over the seven Sacraments this Wednesday. General information is all that we will be using, so please don't be worried about any specifics. Who, what, when, where, and why are all that's needed for the second graders. We will be practicing with a review game tomorrow to help prepare them for the upcoming test.

#### Sacraments:

1. Baptism
2. Reconciliation
3. Holy Communion
4. Confirmation
5. Matrimony
6. Holy Orders
7. Anointing of the Sick
