

*Christ is the eternal prophet, priest and king. As members of Christ's Mystical Body, we commit ourselves to carry on His mission of teaching, sanctifying and governing the People of God.*

## Meet the Teacher

Dear Parents,

Welcome to Ms. Goode's Third Grade Class! I am excited to have your child in my room this year and to be a part of the school community here at St. Joseph Catholic School. This is my third year teaching third grade! Prior to getting my bachelors degree in education, I worked eight years for the Sedgwick County Coop as a para in many classrooms. I student taught in first and second grade in Wichita and El Dorado. I graduated from Emporia State University in May 2015. Stingers up! I feel very blessed to be back home and to be able to grow in my faith with this opportunity I have been given.

A lot of growth happens in third grade and with that comes more challenges as students learn new content. I understand students all learn in different ways whether it be in a different style or pace, so I plan to keep all students engaged as they work throughout the year. I thrive on the successes students make, however small they may be.

When I am not working, I enjoy the outdoors, spending time on the family farm, yard work, cooking, the lake, photography, music, watching movies, yoga, and reading a good book. To me the most important things are the little things and it isn't what we spend our time doing, but who we spend it with.

I am sure we will have a wonderful year together! Please feel free to contact me with any questions or concerns.

God bless!
